INDIVIDUAL TOURS

BAROSSA / CLARE VALLEY

October 2013 (10 Day tour)

The Clare Valley, just two hours north of Adelaide is an ideal location from which to explore the Mid North. Of course Clare is famous for its wineries – a tradition begun in 1851 by the Jesuit Priests at Sevenhill. Their winery still operates today and is on our itinerary of places to visit. The area's copper mining heritage is also very evident, particularly in Burra – again we will take a look. To the west of Clare is the Yorke Peninsula and to the north – Port Pirie and Port Augusta at the top of the Spencer Gulf. Here a new cruise operation will allow us to take a rare eco tour through the unique waters at the foot of the Flinders Ranges. And the recently refurbished Wadlata Interpretative Centre provides a first class introduction to the history of the Flinders Ranges and Outback South Australia. So, with Special events including the Barossa Rose Festival and Adelaide Cheese Festival (the Largest in the Southern hemisphere, country hospitality and a great range of interesting touring, this is one trip of a lifetime
